Protecting Our Children On the Road

Saturday, April 18, 2026 9:00 am — 12:00 pm

+ 100 FREE BOOSTER SEATS AND CAR SEAT CHECKS +

FREE BOOSTER SEAT GIVEAWAY

Why does it matter?

- Car crashes are a leading cause of death for young children.
- Using the right car seat or booster seat can reduce a child's risk of death by up to 71%.
- Native children die in car crashes at rates up to 8 times higher than other children (CDC).

CAR SEAT SAFETY EVENT

Requirements:

- Child must weigh 40-100 lbs
- Child must be present
- One booster seat per eligible child (limit 3 per family)
- First come, first served
